Update: weekend works in Euston Approaches

May 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Piling in Camden Cutting north area – 13 and 14 May

In April we started piling in the narrow section of our worksite just south of Parkway, next to the railway. For safety some of these piles can only be installed at weekends when the tracks are not in use.

We will work on Saturday 13 May and Sunday 14 May, from 8am to 8pm, to install piles next to the tracks. You may notice periods of increased noise from the piling rig and excavator. We will monitor our works closely to ensure we are operating within approved noise and vibration limits. We expect to finish all noisy works by 2pm to finish works by 2pm on both Saturday and Sunday.

Overnight work on Granby Terrace bridge - 20 to 21 May

We are currently clearing the existing section of Granby Terrace bridge so we can add an extension. For safety, some of this work must be done at night during weekends when the tracks below are not in use.

We planned to remove the surface of the road overnight from 13 to 14 May. These works are now postponed and will take place overnight from Saturday 20 May 10pm to Sunday 21 May 7am. We will remove the surface of the road using a grit-blaster. You may notice periods of increased noise when we are operating the machine.

We apologise for any disturbance this may cause. We will use acoustic blankets to limit noise and dust, and will monitor the works closely to ensure we operate within approved noise limits.

Weekend site maintenance works

Our site, offices and equipment require regular planned and unplanned maintenance. We usually carry out maintenance work during extended hours when the office or worksite is not in use, and we can disconnect utilities or lift large equipment.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk

Duration of works

Working hours:

Piling works – 13 and 14 May, 8am to 8pm

Granby Terrace bridge - 20 to 21 May, 10pm to 7am

Overnight hoarding maintenance – 20 to 21 May, 7pm to 6am

What to expect

Periods of increased noise during piling and removal of the road surface on Granby Terrace bridge

Traffic management overnight on Hampstead Road during maintenance to site hoarding

Ongoing surveys and monitoring at track-level

What we will do

Use acoustic barriers to limit noise and dust

Monitor the noise and vibration levels

Provide updates at HS2inCamden.co.uk

Notification

Overnight hoarding maintenance – 20 to 21 May

For safety, we carry out site hoarding maintenance next to main roads or the railway during extended hours when the road is less busy, or trains are not running.

We will work overnight on Saturday 20 May to carry out maintenance to the hoarding on Hampstead Road. There will be temporary traffic management in place while we work. We will close the northbound lane on Hampstead Road and allow two-way traffic via southbound lanes operating under temporary traffic signals. Our working hours will be 7pm on 20 May to 6am on 21 May.

Ongoing monitoring at track-level within the Euston Approaches

We carry out regular surveys and monitoring of the bridges and structures at track-level within the railway cutting, to inform and assess the impact of our works. For safety, due to the location of these structures besides, above and below the railway tracks, we can only carry out these surveys during a rail closure. This means we usually carry out surveys during weekends or overnight shifts, when the closest railway lines are not in use. We will continue to carry out these surveys until the end of the project. These surveys are quiet, and we do not expect residents to notice.

Where to find us for a chat – May

We understand living next door to a major construction site can be difficult. We always do our best to reduce our impacts and keep you updated so you can plan around the more disruptive works.

We will be hosting a pop-up outside Richmond House on Park Village East, to answer your questions and talk about our works on the following days:

- 24 May – 3.30pm to 4.30pm

Feedback

If you can't attend these sessions, we encourage you to complete our feedback following [this link](#) or using the QR code

Your feedback is important. It helps us better understand what it is like to live near a major construction site and what we can do to help make it a little easier.

What else is happening in your area?

Contact our HS2 Helpdesk team

Our team is here to listen and respond to your enquiry, complaint or feedback to help us be a good neighbour.

You can contact our Helpdesk team all day, every day of the year on:

Freephone: **08081 434 434**

Minicom: **08081 456 472**

Email: hs2enquiries@hs2.org.uk

Keep up-to-date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting: www.gov.uk/government/collections/hs2-property

Find out if you can claim compensation at: www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit:
