

Notice of Overnight Closure of the M6 Northbound Carriageway between Junction 4 and Junction 4a and full closure of M42 Junction 7

May 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area

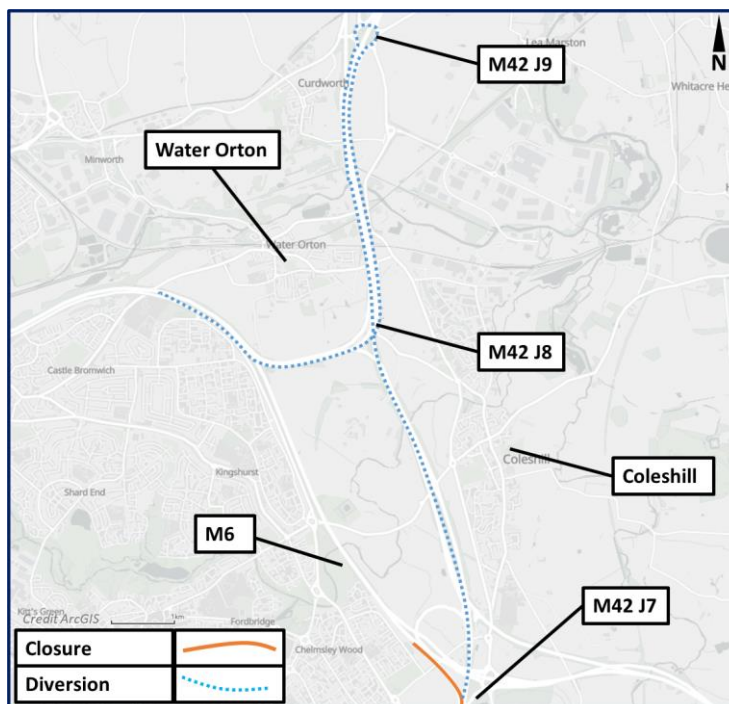

The work we will be doing

The new railway will pass over the M6 on a viaduct and bridge structure. As we prepare for construction, we will first need to implement a series of safety measure on the motorway. Overnight between 14 June and 19 June we will be installing a temporary safety barrier and repainting the road markings to create narrow lanes. The motorway will be closed from 9pm until 5am the following morning.

From the 19 June, for a period of two years, this section of motorway will have narrow lanes and a 50mph speed limit.

M42 Diversion

Traffic wishing to exit the M42 on to the northbound carriageway of the M6 will be directed up to Junction 9 of the M42 then back down the southbound carriageway of the M42 exiting on to the M6 at Junction 8.

Duration of works

For five nights from 14 – 19 June 2023. The work will take place from 9pm at night until 6am the following morning

Narrow lanes and 50mph speed limit from 19 June 2023 until June 2025

What to expect

Longer Journey times following diversion – Please allow 15 minutes.

A fully signed diversion

Low level noise from our works

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation
