## Notice of road closure for The Broadway, and traffic management on A41

May 2023 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at [www.hs2inbucksandox.co.uk](http://www.hs2inbucksandox.co.uk).

### What are we doing?

At the end of May and beginning of June 2023, we will be carrying out topographical surveys along a section of the A41 at the junction with The Broadway near Grendon Underwood. These surveys relate to highways along an approved route for heavy goods vehicles working on the HS2 project. They will be used to help inform possible design improvements to the junction in the future.

A topographical survey is an exercise undertaken by land surveyors using highly specialised survey equipment. These surveys provide detailed maps of land, identifying both natural and man-made features within a specified area.

In order to complete these works, a section of The Broadway will be closed at the junction with the A41. There will also be temporary traffic management. This is for reasons of safety as our operatives will be working on and around the carriage way.

### When will these works take place?

From Tuesday 30 May to Thursday 1 June 2023, a section of the A41 will be controlled by 2-way traffic lights and a section of The Broadway will be closed.

These dates may change due to conditions outside of our control. Please refer to the HS2 website regularly to check for any changes and updates.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>
