

Notice of works to complete new junction of A452/A446 Bickenhill

May 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area

The work we will be doing

BBV have been significantly reconfiguring the junction of the A446 Stonebridge Road and A452 Chester Road near Birmingham Business Park to facilitate the construction of a bridge that will take the new railway over the M42. This summer we will be undertaking our final phases of work to complete the junction.

Phase One

The first phase will consist of two overnight closures of the A452 in front of the main entrance of Birmingham Business Park and the closure of the northbound slip road known as Biddle's Loop. These roads will be closed from 9:30pm to 5:30am on 8 June and 14 June. Please see map overleaf for the diversion. There will also be an overnight lane closure in place from the 9 June to 13 June from 9.30pm to 5.30am.

Phase Two

The second phase of this work will be a closure of the southbound carriageway of the A452 outside Birmingham Business Park and the closure of the northbound slip road known as Biddle's Loop. These works will be in place 24 hours a day from 9 June until the 15 June. During this period traffic wishing to travel south from Birmingham Business Park will be encouraged to use the Progress Way exit onto Bickenhill Park Way

Phase Three

The final phase of this work will be to close the northbound carriageway of the A452 between the new roundabout and the old roundabout to enable us to build a new roundabout outside Quartz Point. The northbound slip of Biddle's Loop will also remain closed. These works will be in place from the 19 June to the 13 July. Traffic wishing to travel North to the M6 will be diverted via Stonebridge Island.

Duration of works

Phase 1 – Overnight on 8 June and 14 June from 9:30pm until 5:30am, with an overnight lane closure from the 9 June to 13 June from 9.30pm to 5.30am .

Phase 2- 24 hours a day from 9 June to 15 June.

Phase 3 – 24 hours a day from 19 June until 13 July.

What to expect

Low level noise from our work.

Fully signed diversion.

Short delay to journey times following diversion – allow 5 - 10 minutes.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
