

Notice of M42 M6 westbound link road overnight closures, near Water Orton

May 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high speed railway in your area.

The work we will be completing

This work is subject to consent. To continue our works for the M42 M6 Link Viaduct, we will deliver plant to our sites and will carry out extra carriageway cleaning operations along the M42 M6 link road westbound. This cleaning programme will be in addition to the daily mitigation measures we have in place and will ensure that impact from our work to the highway is reduced as much as possible.

Traffic management

In order to complete these works safely, we will install three nights of closures on Wednesday 31 May, Thursday 1 June and Friday 2 June, from 9.00pm until 5.00am each night. Throughout the closures, a clear diversion route will be installed. Road users who wish to travel northbound can re-join the M42 at junction 6 to travel north and for those wishing to travel southbound on the M42 continue on their journeys.
