

Notice of M42 M6 eastbound link road overnight closure, near Water Orton

May 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high speed railway in your area.

The work we will be completing

BBV are continuing works near the M42 M6 link road for the construction of viaducts that will carry the HS2 railway over the M42 M6 link road. As our works continue in the area, we will carry out extra carriageway cleaning operations along the M42 M6 link road eastbound. This cleaning programme will be in addition to the daily mitigation measures we have in place and will ensure that impact from our work to the highway is reduced as much as possible.

Traffic management

In order to complete these works safely, we will install an overnight closure on the M42 M6 link road eastbound on Thursday 25 May. The closure will be in place from 9.00pm on Thursday evening until 5.00am on Friday morning.

Throughout this closure a clear diversion route will be installed. The diversion will follow the M6 southbound until junction 4, via the A446 and A452 southbound. Following this, road users will be able to follow the A45 westbound to the M42. The location of the road closure and diversion is shown on the map on page 2.

Our contractors may be on site up to an hour before and after these times to set up and close down the site

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation
