

# Notice of Old Oak Common Lane road and footway night closure

May 2023 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain.

## Equipment delivery – Old Oak Common Lane

Our ongoing work at the Old Oak Common Station requires the delivery of a piece of oversized equipment to our site via Old Oak Common Lane. To avoid traffic disruption, the equipment will be delivered in the early morning on **Tuesday 30 May between 1am and 4:30am**.

For safety reasons, there will be a full road closure in place on Old Oak Common Lane, from Atlas Road Roundabout to Wells House Road for approximately two hours overnight between 1:30am and 3:30am. Please see the map on page two that shows the approximate location of the road closure.

Diversion routes will be signposted for local traffic and emergency services to Wells House Road and Oaklands Rise.

The operatives delivering the equipment will keep noise to a minimum and will only use hand signals to direct the vehicles.

Once the equipment arrives to site, it will be parked on site and then assembled during our normal working hours of Monday – Friday 8am - 6pm and Saturday 8am – 1pm.

We apologise for any disruption caused by these activities and we are working to minimise impacts as far as possible.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.
