

Update notice of Saltley current and upcoming works - Birmingham

May 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new railway in your area.

To allow us to continue to construct the new HS2 structures in the Saltley and Alum Rock area, the following road and footpath closures are planned to take place over the coming months.

Pennine Way

From Monday 22 May, for approximately three weeks, the junction of Pennine Way and Saltley Viaduct will be closed to enable a gas main diversion. Businesses within Saltley Business Park are advised to use the Arley Road entrance/exit.

Saltley Viaduct

We previously informed you know that utility diversion works are currently taking place overnight along Saltley Viaduct. These works require a full closure of Saltley Viaduct and take place from 10pm – 6am Monday to Friday. In addition to these works, there is a requirement for temporary two-way traffic signals on Saltley Viaduct between 9.30am – 3.30pm Monday to Friday. These will be in place from 25 May for approximately three weeks.

Crawford Street

From Monday 22 May, we need to close the junction of Crawford Street and Saltley Viaduct to continue with utility diversions and construct a new site entrance. This closure will be in place throughout construction.

Adderley Road and Cranby Street

From Monday 22 May, for approximately three weeks, a series of temporary traffic signals will be in place along Cranby street and Adderley Road. This is to enable our team to safely divert utilities. Access to businesses and properties will be maintained throughout these works.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

Works are ongoing in the Saltley area. Details of affected areas are shown on this page with helpful diversion maps on the following pages.

What to expect

Road and footpath closures with clear diversion routes. We may also be on site up to one hour before and one hour after this for site set up and shut down.

What we will do

Ensure that our work areas are safe and secure.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation
