

# Update on Schedule 17 planning submission railway bridges design

High Speed Two (HS2) is the new high speed railway for Britain.

## Schedule 17 planning submission for railway bridges over Old Oak Common Lane

HS2 held an initial engagement drop-in event in January to provide information on the proposed railway bridges over Old Oak Common Lane ahead of the Schedule 17 planning application being submitted to the Old Oak and Park Royal Corporation (OPDC) (submitted 23 February 2023).

Please find further information about the proposed bridges over Old Oak Common Lane on the next page.

Since the Schedule 17 planning application has been live on the OPDC website (<https://planning.agileapplications.co.uk/opdc/application-details/10012>), we have received feedback from residents about the location and use of the future bridges.

We have listened to this feedback and are holding a further drop-in event with more information about the proposed scheme before the application proceeds to determination.

The drop-in event is taking place on **Monday 15 May 2023 between 4pm - 8pm**. Members of the team will be on hand to listen to your concerns, answer questions and provide more information. To confirm your attendance please email [community@bbvsjv.com](mailto:community@bbvsjv.com) or call the HS2 Helpdesk on **08081 434 434**.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

## Notification

### Duration of works

Bridge design information drop-in event on Monday 15 May between 4pm - 8pm. You will need to RSVP to attend site.

### What to expect

Current Wycombe Line and GWML bridges will be removed over the next few years and replaced by new bridges.

This will include an additional bridge adjacent to Wells House Road properties for a potential future extension of the Chiltern line.

### What we will do

Our local engagement team will be available to speak with you in person at our viewing platform.

Continue to engage with you about the works taking place on the bridges.

Notification

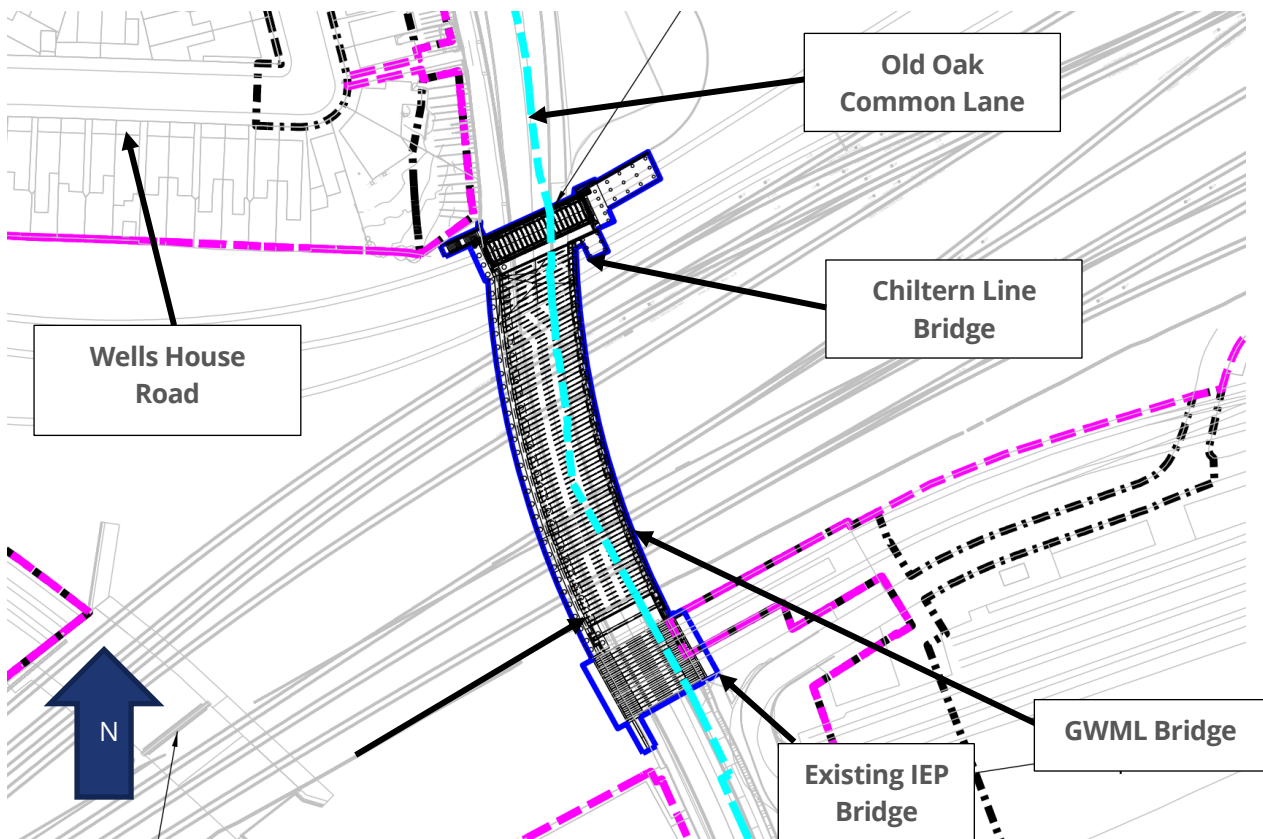

## Bridges over Old Oak Common Lane

The proposed design for the bridges (location shown on the map below) is split into 3 bridges over Old Oak Common Lane:

1. Existing Intercity Express Programme (IEP) depot bridge that is to be retained. The application includes some modifications to the IEP bridge abutment walls.
2. The Great Western Mainline (GWML) bridge will replace the existing bridge and service the GWML and Elizabeth Line trains running over Old Oak Common Lane. This bridge will be built in a phased approach, commencing in Q2 2023, to allow the live train tracks to be diverted into Old Oak Common Station.
3. An extension to the replacement GWML bridge and an additional steel girder bridge to safeguard the potential future provision of a two track Chiltern Line extension and a GWML crossover track which would replace the currently disused Wycombe Line within the Wycombe corridor approaching OOC Station.

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

## The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at [www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: [residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

## Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: [complaints@hs2-cc.org.uk](mailto:complaints@hs2-cc.org.uk)

## Property and compensation

You can find out about HS2 and properties along the route by visiting:

[www.gov.uk/government/collections/hs2-property](http://www.gov.uk/government/collections/hs2-property)

Find out if you can claim compensation at:

[www.gov.uk/claim-compensation-if-affected-by-hs2](http://www.gov.uk/claim-compensation-if-affected-by-hs2)

## Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit:

[www.hs2.org.uk/in-your-area/contact-us/how-to-complain/](http://www.hs2.org.uk/in-your-area/contact-us/how-to-complain/)

## Contact us

Contact our HS2 Helpdesk team all day, every day of the year on:

 Freephone **08081 434 434**

 Minicom **08081 456 472**

 Email **HS2enquiries@hs2.org.uk**
