What we are doing

We wrote to you in February to let you know that we would be relining the foul sewer and surface sewer network between the Carr Road Allotments and Northolt Trading Estate.

The main works are now complete, however we are still working to reinstate the area. This has overrun and will continue until 23 June 2023. These works will be completed during core hours.

See map overleaf for the location of our works and welfare unit.

How these works might affect you

The works will take place in the site compound within the allotment area and in the car park at the end of Northolt Trading Estate.

Residents may see overnight lighting and may experience increased construction noise on site outside of core hours. Noise barriers will be in place to reduce noise from site machinery.

We would like to apologise in advance for any disruption or inconvenience this may cause. Every effort is being taken to ensure that these works are carried out in the least impactful way.

We will ensure that disruption is kept to a minimum.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>
