

Notice of utility works on Park Royal Road

June 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Over pumping works on Park Royal Road

From 23 June to 7 August 2023, we will be carrying out over pumping works on the main sewer pipe on Park Royal Road.

Over pumping is needed when an existing sewer or storm water network needs upgrading but cannot be turned off.

The utilities team will use a surface pump to pump water from one manhole to another above ground level. This will allow them to work on the pipework between these locations.

How might this affect you?

To ensure the safety of our operatives and the public, we will have various phases of traffic management in place on Park Royal Road which is outlined below:

- **From 6pm on 23 June to 6am on 25 June 2023**, we will have a temporary road closure in place between the entrance to Lower Park Business Estate and Gorst Road.
- **From 6am on 25 June to 6pm on 4 August**, we will have a temporary footpath closure on Park Royal Road. Two-way traffic will still be able to move through the area during this time. Pedestrian crossings will be available at both end of the traffic management.
- **From 6pm on 4 August to 6am on 7 August 2023**, we will have a temporary road closure in place between the entrance to Lower Park Business Estate and Gorst Road.

You can view the traffic management layout on the next page. This has been agreed with London Borough of Ealing and Transport for London.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
