

Lane closure on A413, Little Missenden, Buckinghamshire, for works surveys

June 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. This notice is to inform you of additional temporary lane closures on the A413, in Little Missenden, to undertake surveying for our tunnelling works.

How will these works affect you?

A short section of the northbound inside lane on the A413 dual carriageway towards Aylesbury will be temporarily closed to traffic. We will use traffic management to narrow the lane, leaving the outside lane open, allowing traffic to flow whilst we take our readings.

The lane closures will initially be in place daily from:

- 5 June to mid-July
- 9.30am to 3.30pm.

After the daily monitoring finishes, we will monitor every other day for approximately one week and will then monitor monthly until the end of the year. We cannot specify exact dates as they can change due to the impact of the weather or programme changes. We will do all we can to keep you updated.

What will we be doing?

A small team of surveying engineers will be visible in the highway whilst taking readings from the monitoring equipment. To do this safely, a small section of the inside lane on the A413 will be temporarily closed.

Why are we doing these works?

Monitoring surveys are carried out along the highway as it is a hard surface that provides an accurate reading. We need to obtain this above surface as well as below ground, from vent shaft to vent shaft, to ensure correct alignment of the Chiltern tunnel.

Please see the location map of these works on page 2.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

Frequent monitoring initially from 5 June to mid-July and then monthly until December, 9.30am to 3.30pm

What to expect

- Single lane closure on A413 dual carriageway heading north towards Aylesbury
- Operatives visible and working in the area

What we will do

The closure will be in place between 9.30am and 3.30pm to avoid peak times

We will reopen the lane as soon as we are able

We will keep you updated if plans change

Notification

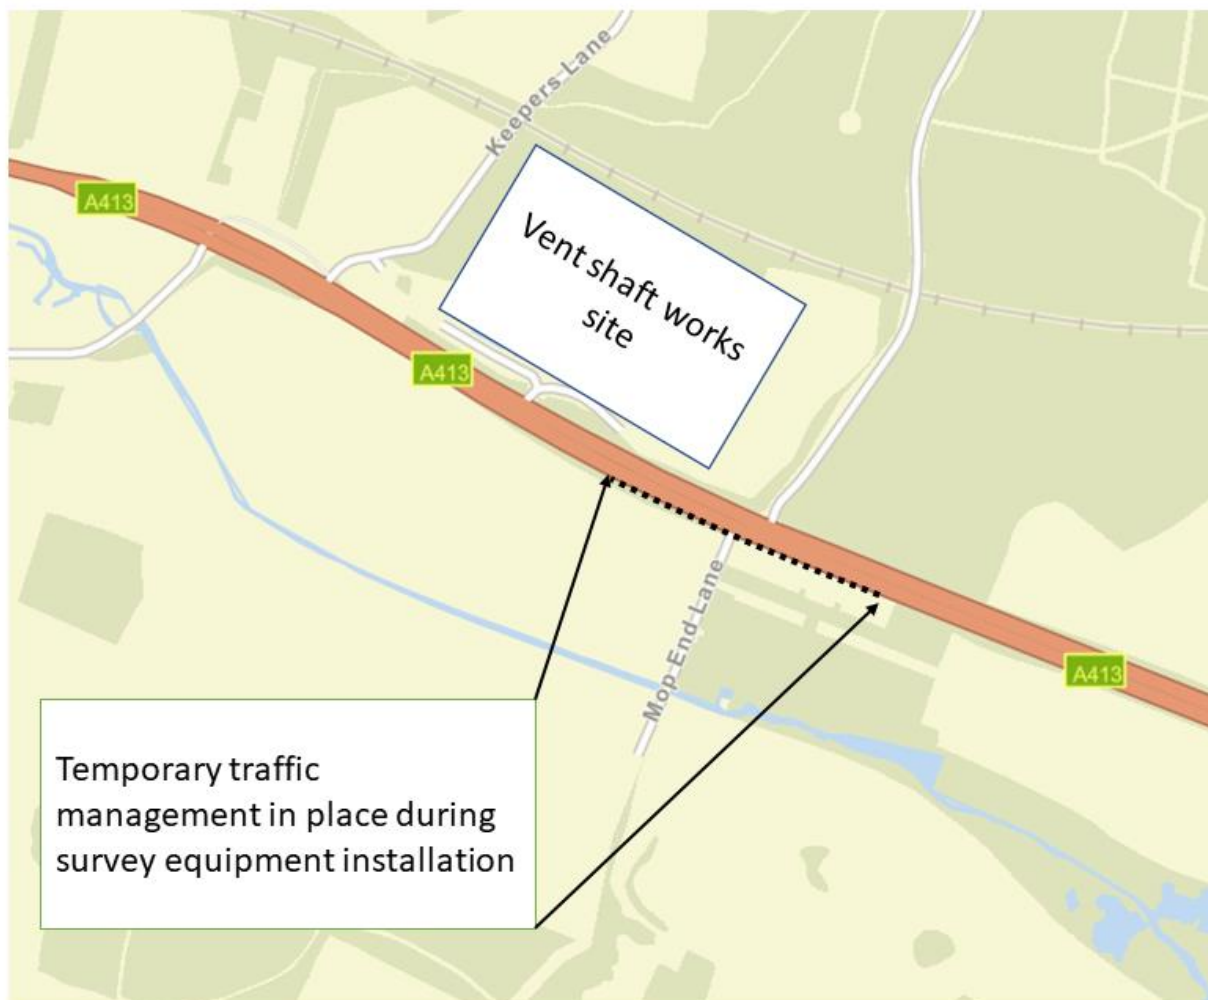

Avoiding peak times

The team may be visible in the area early in the morning. The lane closure will not come into effect until 9.30am and will end at 3.30pm, when the road will be reopened and traffic management removed.

Map of works location

The map below shows the location of the temporary lane closure for motorists.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
www.gov.uk/government/collections/hs2-property
Find out if you're eligible for compensation at:
www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:
www.hs2.org.uk/how-to-complain

Contact Us

Contact our HS2 Helpdesk team all day, every day of the year on:
