What we are doing – Permanent Wall Construction.

We wrote to you at the end of June to let you know that we would be starting work on the permanent wall construction at the back of our site. Due to related works taking longer than anticipated, the work has been delayed and will now be completed by 12 August 2023. We will work towards the front of the site parallel to the Asda parking bays and petrol station. See map below showing the precise location of works indicated by the red arrow.

We will be breaking out the original concrete wall and expect that this will create some noise and vibration. Noise and vibration monitoring will be in place at all times. We will also use acoustic barriers around the machinery to reduce the noise as much as possible. These works will be undertaken during our core hours, Monday to Friday 8am to 6pm and 8am to 1pm on Saturdays.

We would like to apologise in advance for any disruption or inconvenience this may cause. Every effort is being taken to ensure that these works are carried out in the least impactful way. We will ensure that disruption is kept to a minimum and that regular updates are provided.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
