

Notice of concrete pour works, Water Orton

July 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high speed railway in your area.

The work we will be doing

To continue our works for Water Orton Viaducts, that will carry the HS2 railway over the M42 M6 Toll, we will complete a concrete pour for pile caps at our compound on Watton Lane. (Location shown on the map below). A pile cap is a concrete mat that is laid above the piles to provide a stable foundation for us to build the structure.

When the work will take place

We previously notified that these works would take place on Friday 7 July and Saturday 8 July. Due to re-programming, we will now complete this work on Friday 14 July from 7.00pm until an estimated time of 6.00pm on Saturday 15 July. As part of this work we will deliver concrete to our site overnight from 7.00pm on Friday evening until Saturday morning at 8.00am. Our deliveries will enter site via Watton Lane for this time period. Then from 8.00am on Saturday morning all deliveries will enter our site via the M42 M6 link road access. Throughout the duration of the works, all deliveries will exit site via the M42 M6 link road access.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation
