

Notice of mobilisation of new haul route and improved access to Kenilworth Greenway.

June 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

New haul route.

Haul roads are temporary roads provided within a working area to allow for the movement of construction materials, construction machinery and/or construction staff around the site. Haul roads are Balfour Beatty Vinci's preferred logistical transport link, as they reduce the number of vehicle movements interfering with the existing local road network and provide the greatest possible control over works activity.

Since 2021 BBV have been operating an internal haul road from the Aston Martin roundabout off the Kenilworth Road heading south along the HS2 Line of route, concluding at the West Coast Main Line where a permanent bridge over the railway will be built. Once this bridge is built, we can use it to further extend the haul road continuously from the A452 to Burton Green.

We are pleased to inform you that this summer we will be opening our new haul road entrance off the Hallmeadow Road Roundabout in Balsall Common. Our vehicles will utilise the Hallmeadow Road route to bring materials to our work site allowing greater construction progress, as a dedicated haul route to the south of the West Coast Mainline to build up the embankment for the new bridge and to take materials to the Burton Green Tunnel.

New access to Kenilworth Greenway.

You may be aware that the existing access to the Kenilworth Greenway is flooded and has been unpassable for many years. We are delighted to inform you that we have been able to incorporate a new temporary footpath alongside the haul road connecting Station Road to the temporary Greenway. Please see map over leaf.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

From 19 June 2023 until the completion of our works in 2025.

What to expect

A range of between 150-200 vehicle movements a day utilising Hallmeadow road and accessing our haul route from the roundabout.

The route will be in operation from 8am until 6pm Monday to Friday 8am until 1pm on a Saturday and not at all on Sundays and bank holidays.

What we will do

Keep you up-to-date with any changes at www.hs2insolihull.co.uk

Keep the road network clean and free of mud.

Keep all sites safe and secure.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation
