

Notice of M42 M6 eastbound link road overnight closure, near Water Orton

June 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high speed railway in your area.

The work we will be completing

To continue our works for the M42 M6 Link Viaduct, we will complete extra carriageway cleaning operations along the M42 M6 link road eastbound. This cleaning programme will be in addition to the daily mitigation measures we have in place and will ensure that impact from our work to the highway is reduced as much as possible.

Traffic management

In order to complete these works safely, we will install an overnight closure on the M42 M6 link road eastbound from 9.00pm on Friday 30 June until 5.00am on Saturday 1 July. Throughout this closure a clear diversion route will be installed. The diversion will follow the M6 southbound until junction 4, via the A446 and A452 southbound. Following this, road users will be able to follow the A45 westbound to the M42.
