June 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions about these works, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inwarwickshire.co.uk.

What are we doing?

As part of our continued works for the Kineton Road Overbridge, a section of Kineton Road will be closed for approximately three days in early July. The closure will be during daytime hours only.

We will be carrying out localised vegetation removal in the areas where the new road bridge will meet the existing highway. We will also be continuing our detailed utility surveys along Kineton Road. This work will involve digging small inspection holes in the carriageway and then restoring the road surface.

When will these works take place?

A section of Kineton Road will be closed from Monday 10 July to Wednesday 12 July 2023, from 8am to 6pm, with a diversion route in place.

We will work to open the roads to reduce disruption as soon as possible.
