

HS2

Notice of lane closure for Utility Survey Work on Bickenhill Lane.

June 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

What we are doing?

In order to prepare for the future HS2 Automated People Mover which will carry passengers from Birmingham Airport, Birmingham International Station and the NEC to the new HS2 Interchange Station, National Grid Electricity Distribution need to carry out trial holes to confirm location of existing equipment alongside Bickenhill Lane.

The work will require excavating in the footway and verge of a section of Bickenhill Lane.

In order to undertake the work safely, a lane closure will be in place for 50 metres on both the northbound and southbound carriageways of Bickenhill Lane from 09.30 until 15.30 on Thursday 22 June 2023.

How will this impact you?

National Grid Electricity Distribution will be working in the lane closure, footway and verge.

National Grid Electricity Distribution has a responsibility for delivering electricity services to homes and businesses across the region and will ensure that the impact of any work is kept to a minimum.

You will still be able to access all routes and businesses in the area during the lane closure.

This schedule is subject to change, depending on weather and site conditions. We will keep you informed of any changes via www.hs2.org.uk/solihull

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Notification

Duration of works

Work will take place on 22 June 2023.

Our core working hours will be 08.00 to 18.00, with traffic management in place between 09:30 and 15:30.

We will be on-site one hour either side of these times for set-up and close-down

What to expect

There will be a 50 metre lane closure on both the north and southbound carriageways between 09:30 and 15:30 to allow work to take place.

Every endeavour will be made to keep disruption to a minimum.

What we will do

At no time will your electricity services be interrupted by this work. We will complete the work as quickly as possible to avoid disruption and provide you access throughout.

Contact our HS2 Helpdesk team on **08081 434 434**

The map below outlines the location of the trial holes that National Grid will be working on between 09.00 and 15.30 on Thursday 22 June. Lane closures will be in place for a 50m section on both the north and southbound carriageways. You will still be able to access all routes in the area.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you can claim compensation at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit:
