

Notice of overnight southbound closure of M42 between junction 9 and junction 6

June 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be doing

BBV have been significantly reconfiguring the junction of the A446 Stonebridge Road and A452 Chester Road near Birmingham Business Park to facilitate the construction of a bridge that will take the new railway over the M42.

This summer we plan to close the motorway for a weekend to remove an existing bridge over the motorway. Before doing so, we need to prepare the bridge ready for demolition to minimise the disruption in the summer period.

To do this work safely BBV will need to close the southbound carriageway of the M42 between Junction 9 and junction 6 for three nights, from 9pm to 5am on 23, 24 and 25 June.

Southbound traffic will be diverted on to the A446 and A45 to join the M42 at Junction 6. M6 traffic wishing to join the M42 south will be directed to junction 4 of the M42 to follow the same diversion. Please see map over leaf.

Important

BBV have been made aware that National Highways also intend to close the northbound carriageway of the M42 on the same weekend. If you wish to find out more about this closure, please contact National Highways on **0300 123 5000** or visit nationalhighways.co.uk

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

Overnight, 9pm to 5am on 23, 24 & 25 June.

What to expect

Low level noise from our work.

Longer journey times following diversion – allow 20 minutes.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
