

Notice of road closure, Sulgrave Road and the opening of the Greatworth Temporary Road

July 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. You can sign up for regular updates in your local area www.hs2inyourarea.co.uk.

What are we doing?

From early autumn 2023 we will be opening a new temporary road, known as the 'Greatworth T'. This new temporary road will keep traffic flowing to villages north of Greatworth, while we build the Greatworth Green Tunnel.

To prepare for this we will be closing Sulgrave Road, near Greatworth from late July. We will also be working on Welsh Lane, requiring periods of temporary traffic lights. This is to build a junction to connect the new temporary road with Welsh Lane.

The Greatworth T will be open two phases. The first will create a diagonal link between Magpie Farm, near Sulgrave, and Welsh Lane near Helmdon Road in Greatworth. With this first phase open, the main section of Sulgrave Road will close for approximately 18-24 months.

The second phase of the Greatworth T will open when part of the tunnel is completed. This will create an additional link road from Welsh Lane, allowing the tunnel work to continue towards Greatworth.

A map showing the Greatworth T layout is included in overleaf.

When will these works take place?

- A section of Sulgrave Road will be closed from 31 July to 31 August 2023, 24-hours a day. A diversion will be in place.
- There will be traffic lights on B4525, Welsh Lane from 14 to 23 August 2023.
- From September 2023 phase one if the Greatworth T will be open. The exact opening date is to be confirmed and will be subject to the completion of the Highways safety check for new roads.
- Once the Greatworth T is open, the main section of Sulgrave Road will be closed for approximately 18-24 months while we build the tunnel.
