

Notice of piling works within Adelaide Road site

July 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

From **27 July until 31 October 2023** we will be carrying out piling works within the Adelaide Road site. The piling is to form a secure foundation for the headhouse which will be built above the ventilation shaft.

Piling method

We will use an SR30 rotary bored piling rig, with specially designed drilling tools to remove spoil. These tools are used to bore into the ground and remove spoil while the pile progresses into the ground to the required depth.

This piling method minimises the use of vacuum-excavators, to reduce any potential noise nuisance.

Example of the SR30 piling rig

How will this affect you

We don't expect these works to affect residents, as the working platform is 10 metres below road level, providing screening from dust and noise.

The following mitigation measures will be in place:

- Dust suppression will be used throughout dry periods to prevent any negative impact on the local air quality.
- Noise and vibration levels will continue to be monitored.
- The piling works will all be completed during core hours only.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk

Notification

Duration of works

From 27 July until 31 October 2023

*These dates are subject to change

Working hours:

Monday to Friday - 8am to 6pm

Saturday - 8am to 1pm

We may be onsite for an hour before the start and/or end of each shift

What to expect

These works are not expected to affect residents. However, you may notice additional noise during parts of these works.

What we will do

Suppress dust at source

Monitor noise, dust and vibration levels

Provide updates at HS2.org.uk/in-your-area/

Notification

Location of piling works

The below map indicates the position of the piling works within the site.

159 piles of up to 1.2 metres diameter and 16-18 meters length will be installed.

Vegetation clearance

Overnight on **6 and 7 August 2023**, we will clear vegetation on the Network Rail tracks behind the Adelaide Road Vent Shaft site.

Only low-lying scrub will be cleared, using hand tools. An ecologist will be present. The clearance is necessary to provide clear sight lines for surveying purposes.

This activity should not cause any disturbance to residents.

Contact our HS2 Helpdesk team

Our team is here to listen and respond to your enquiry, complaint or feedback to help us be a good neighbour.

You can contact our Helpdesk team all day, every day of the year on:

Freephone: **08081 434 434**

Minicom: **08081 456 472**

Email: hs2enquiries@hs2.org.uk

Keep up-to-date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting: www.gov.uk/government/collections/hs2-property

Find out if you can claim compensation at: www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit:

www.hs2.org.uk/in-your-area/contact-us/how-to-complain/
