

Reconnecting the TfL depot bridge near Herlwyn Avenue

July 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

You can sign up for regular updates in your local area at hs2inhillingdon.co.uk.

Our Community Engagement team is available to answer your questions about the project and the works in Hillingdon and Northolt. Our team would like to invite you:

- **To visit the HS2 & SCSJV Information Hub**

Our Community Information Hub is open for drop-ins every **Monday and Wednesday** from **2pm to 4pm**.

You can find us in the portacabin on the right of West Ruislip Portal Entrance on Ickenham Road.

- **You can book a virtual one to one appointment at** Communities@scsrailways.co.uk

What we are doing

We have progressed with our tunnelling works in this area and can now reconnect the Transport for London (TfL) depot bridge located trackside at the rear of Herlwyn Avenue.

Please see the map overleaf for the precise location and details of the works to be carried out.

How these works might affect you

We will need to access the area via the turnstile off Herlwyn Avenue (shown on the map overleaf). We will ensure that vehicles collecting materials are there for the shortest time possible. However, there will be two transit vans supporting these works parked on the street.

The bridge reconnection element of these works will need to take place overnight when trains are not running.

We would like to apologise in advance for the disruption or inconvenience this may cause. Every effort is being taken to ensure that these works are carried out in the least impactful way.

We will ensure that disruption is kept to a minimum.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
