Notice of temporary off peak single lane closures on the B4438, the NEC longabout and the entrance and exit to Birmingham Business Park, 17 July to 28 July 2023

July 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Early works for HS2 are being carried out by a joint venture between Laing O'Rourke and J. Murphy & Sons, known as LM.

We're improving the local road network

We are remodelling and improving sections of the existing road network near Northway Island and creating new routes on HS2 land. Upon completion, a new T-junction will replace Northway Island. A new 'longabout' is already in operation outside the Holiday Inn Express NEC, on the way to the National Exhibition Centre (NEC).

We need to conduct some maintenance in the landscape areas on the B4438, the new NEC longabout and on the entrance and exit to Birmingham Business Park. In order to do this work safely, we need to put in place temporary off peak lane closures.

Single lane closures, off peak only, between 17 and 28 July

Single lane closure will be in place, on the B4438, the new NEC longabout and the entrance and exit to Birmingham Business Park between 9.30 am and 3.30pm from 17 to 28 July 2023 (see map on page 2). The lane closures will be phased to avoid overburdening the network, and will therefore not be on all of these roads at the same time.

These works are subject to obtaining the relevant consents. There will be other works also being conducted in the area during this period, please see www.hs2insolihull.co.uk for details.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
