

Notice of M42 M6 eastbound link road overnight closure, near Water Orton

July 2023 | www.hs2.org.uk

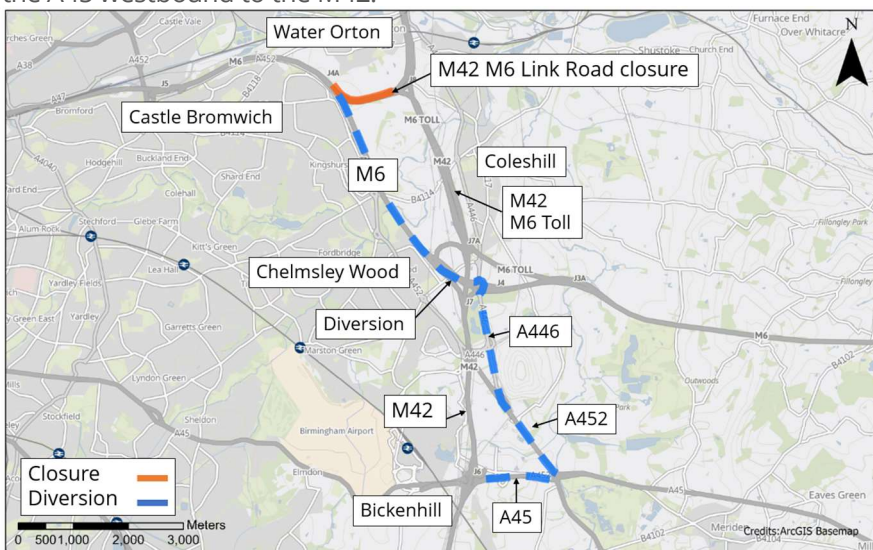

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high speed railway in your area.

The work we will be completing

To continue our works in the area, we will complete deliveries of plant and machinery via the M42 M6 link road access point and extra carriageway cleaning operations will be undertaken along the M42 M6 link road eastbound. This cleaning programme will be in addition to the daily mitigation measures we have in place and will ensure that impact from our work to the highway is reduced as much as possible. This work is subject to consent.

Traffic management

To complete these works safely, we will install two overnight closures on the M42 M6 link road eastbound from 9.00pm until 5.00am each night. The closures will take place overnight on Wednesday 26 July and Friday 28 July. Throughout a clear diversion route will be installed. The diversion will follow the M6 southbound until junction 4, via the A446 and A452 southbound. Following this, road users will be able to follow the A45 westbound to the M42.
