

Notice of temporary road closure, Ladbroke Hill Lane

July 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. You can sign up for regular updates in your local area at www.hs2inwarwickshire.co.uk.

What are we doing?

As part of our continued construction for the railway and access roads we will close Ladbroke Hill Lane for approximately one week to carry out our vegetation clearance and utilities work.

It is necessary to remove vegetation to enable future works to continue and to allow access to areas of the site. We will be completing remaining vegetation clearance works along Ladbroke Hill Lane.

Prior to any vegetation removal, an ecologist will complete a detailed survey of the area to be cleared. Any protected species found to be present will be recorded and the vegetation will be left undisturbed with the appropriate buffer zone established. Vegetation clearance will only commence once further surveys and mitigation can be established to confirm that the protected species are no longer present.

Throughout the duration of the road closure, access will be maintained for residents and businesses.

When will these works take place?

A section of Ladbroke Hill Lane will be fully closed from 8.30am to 5.30pm, from Monday 24 July to Friday 28 July 2023.

We will work to open the roads to reduce disruption as soon as possible.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
