

Notice of temporary traffic lights on Diddington Lane – Hampton-in-Arden

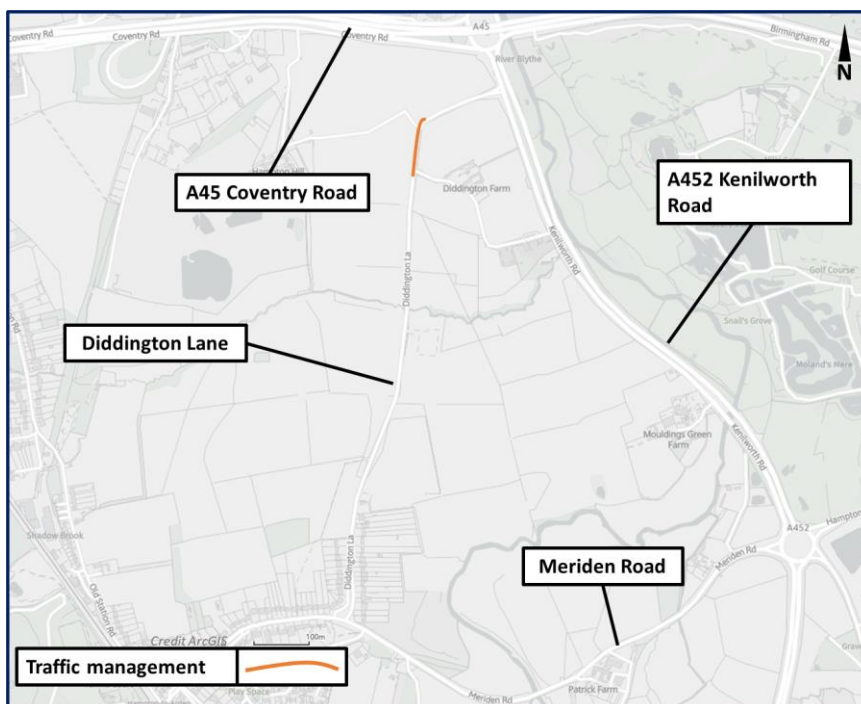

July 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The word we will be doing.

The new railway will cross the River Blythe on a viaduct before entering a deep cutting on the approach to the A45 (Coventry Road). To ensure that our works do not affect the electricity supply, National Grid Energy Distribution (NGED) have been diverting an electricity cable adjacent to Diddington Lane. NGED are now ready to joint the diverted cable but to do this safely they will need to put temporary traffic lights on a short section of Diddington Lane for 9 days. Access to Hampton Hill Hounds and Diddington Farm will be maintained. The lights will be in place 24 hours a day between 14 August and 22 August, but we will only be working from 8am until 6pm.

Location Plan

Duration of works

The lights will be in place 24 hours a day between 14 August and 22 August, but we will only be working from 8am until 6pm.

What to expect

Very slight delay in journey times waiting at the lights.

Low level noise from NGED works.
