The work we will be completing

We are continuing to prepare for works to construct the Coleshill Viaducts that will carry the HS2 railway over the existing B4114 Birmingham Road. Following this, we will begin phase two of this work from Monday 14 August until Saturday 19 August.

Traffic management

To complete this work safely, we will install four-way traffic lights along B4114 Birmingham Road. This will include the roundabout section. The traffic lights will be in place from Monday 14 August until Saturday 19 August. The traffic management for this work will be from 9.30am until 3.30pm each day.
