

Road closure on Hyde Lane, Great Missenden, Buckinghamshire

July 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. This notification is to inform you of some works on Hyde Lane, Great Missenden, that require a road closure.

What are we doing?

We require a water supply for our North Portal site. To do this, Affinity Water need to upgrade their current network to ensure water pressure remains consistent for other users.

Will you be working on Frith Hill?

No. The nearest water main Affinity Water can connect to is located on Hyde Lane. This main feeds into our already established connection inside our North Portal site boundary.

How will this affect you?

Hyde Lane will be closed to traffic from:

- 17 July to 19 September

This will be a 24/7 continuous closure that will remain in place throughout the duration of the works. Diversion signage will be placed at the top of Hyde Lane on Chesham Road B485, and at the bottom of Hyde Lane at its junction with the A413. See map on page 2.

What about residents' access?

Residents' access will be maintained at all times. Affinity Water will liaise with residents directly regarding their programme of works.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
