

Notice of trial holes, Wolesley Drive - Birmingham

July 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new railway in your area.

Upcoming utility surveys and pothole repair

We will be carrying out utility trial hole surveys and pothole repairs on Wolesley drive via Bromford Lane overnight on three consecutive weekends. These will start on Saturday 5 August 2023 and will be complete on Sunday 20 August.

To complete these trial hole inspections, we will use a vacuum excavator which uses compressed air to loosen or agitate the ground. The loosened material is then removed using the vacuum on the machine creating a hole. At times we will also use hand digging tools to excavate the trial holes. Once the surveys are carried out, we will backfill and reinstate all trial holes.

We do not expect this activity to cause high levels of noise or vibration.

Lane closure on Bromford Lane - Northbound

To be able to carry out these inspections safely and effectively, we will need to put in place a lane closure on Bromford Lane. Access to properties and businesses will be maintained throughout.

We plan to carry out the works on the following dates and times:

Saturday 5 August 8.00pm – Sunday 6 August 1.00am

Saturday 12 August 8.00pm – Sunday 13 August 1.00am

Saturday 19 August 8.00pm – Sunday 20 August 1.00am

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation
