

Weekend works at Old Oak Common Station site

August 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Painting of white lines at Old Oak Common Station site – 12 and 13 August

On **Saturday 12 August between 8am and 6pm and Sunday 13 August between 9am and 4pm**, we will be painting some white lines on the internal construction roads within the boundaries of the Old Oak Common Station site. Most of these works need to take place when vehicles are not on the construction site and therefore, we will be working longer hours over the weekend.

Most of these works are away from the site boundary and therefore should not be noisy or disruptive to residents. Site workers will be briefed to keep noise to the minimum when entering/leaving and working near site boundaries.

These works are weather dependent and therefore might take place on the following weekend. If this does happen, we will update residents.
