Update: weekend works in Euston Approaches

September 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Weekend and extended hours site maintenance

Our site, offices and equipment require regular planned and unplanned maintenance. We frequently carry out maintenance work during extended hours when the office or worksite is not in use, and we can safely disconnect utilities or lift large equipment. This work is generally quiet, and we don't expect neighbours to notice.

Works on Granby Terrace bridge – 16 to 17 and 23 to 24 September

We need to work over the weekend from 16 to 17 September, 8am to 8pm, to set up a scaffold on site next to the railway. For safety, this work can only be done when the tracks next to our worksite are not in use.

We plan to complete the work in one weekend, but we may also need to work the following weekend from 23 to 24 September. These works will not be noisy or disruptive.

Overnight work to move silos to Vehicle Holding Area – 12 to 13 September

On 12 September, we will move the three silos from the Euston Throat worksite to the Vehicle Holding Area to make more space on site.

For safety, due to the size of the silos, we can only transport them at night when there is less traffic on the road. We will work from 5pm to 5am to load the silos on to lorries, move them to the Vehicle Holding Area and unload them.

We expect this will take one shift. If we can't move all the silos on 12 September, we will do it one of the following nights. We don't expect these works to be noisy, but you may notice teams on site using cranes to load and unload the silos.

Please note, these silos will not be visible above the hoarding at the Vehicle Holding Area as we will store them on their side. We will need to return these silos to the Euston Throat worksite in 2025, for further piling works.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk

Duration of works

Overnight hoarding maintenance on Hampstead Road: 23 to 24 September, from 7pm to 3am

Works on Granby Terrace bridge: 16 to 17 and 23 to 24 September, from 8am to 8pm

Silos moved overnight to Vehicle Holding Area: 12 to 13 September, from 5pm to 5am

Overnight works to install lorry cameras: ongoing between 7pm and 6am

What to expect

Overnight traffic management on Hampstead Road

Large equipment delivered and removed from site early in the morning or late at night

Small team installing traffic cameras on lamp posts at night

What we will do

Provide updates at HS2inCamden.co.uk

Update: weekend works in Euston Approaches

Notification

www.hs2.org.uk

Hampstead Road hoarding maintenance – 23 to 24 September

For safety, we carry out maintenance to the hoarding on Hampstead Road at night when there is less traffic. We do this once a month, on a Saturday night between 7pm and 3am.

We will temporarily close the northbound lane but will maintain two-way traffic in the southbound lane using temporary traffic lights. You may notice brief periods of noise as we clean the road and hoarding.

Traffic cameras installed to monitor lorries – ongoing since August

We are installing traffic cameras along our lorry route to monitor HS2 vehicles and ensure our drivers use the approved routes to and from site. We close small sections of the lane and footpath for about an hour while we install the cameras on existing lampposts. We carry out the work at night, between 7pm and 6am to limit the impact on traffic and pedestrians.

We don't expect residents to notice these works.

Ongoing surveys and monitoring at track-level within the Euston Approaches

We carry out regular surveys and monitoring of the bridges and structures within the railway cutting, to inform and assess the impact of our works. For safety, due to the location of these structures beside, above and below the railway tracks, we can only carry out these surveys when the tracks are not in use. This means we frequently carry out surveys during weekends and overnight shifts.

What else is happening in your area?

Contact our HS2 Helpdesk team

Our team is here to listen and respond to your enquiry, complaint or feedback to help us be a good neighbour.

You can contact our Helpdesk team all day, every day of the year on:

Freephone: **08081 434 434**

Minicom: **08081 456 472**

Email: hs2enquiries@hs2.org.uk

Keep up-to-date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting: www.gov.uk/government/collections/hs2-property

Find out if you can claim compensation at: www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit:
