What are we doing?

As part of our works for the diversion of a local water mains, our team need to work in open trenches along Church Lane and outside local properties. To carry out these works safely, we need to close the road along Church Lane in Mixbury. These works will take place in the daytime, during our core working hours. Where works allow, we will remove traffic management within the closure period when it is not required.

When will these works take place?

A section of Church Lane will be fully closed from Monday 4 September to Friday 29 September 2023.

Works will take place Monday to Friday 8am to 6pm, and Saturday 8am to 2pm.

The road will be made safe and will re-open at the end of each day. There will be no Sunday or Bank Holiday working during these works.

Our aim is to keep the disruption to a minimum.
