August 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

In August 2023 there will be a lane closure on Station Road South for BT diversion works. BT will work in a chamber to complete this diversion.

In order to carry out these works safely and effectively, Station Road South, just before the junction with Quainton Road and Fiddlers field/Snakes will be under 3-way temporary traffic lights. This is for safety reasons, as our operatives will be working in a chamber to complete BT diversion works.

When will these works take place?

Station Road South, just before the junction with Quainton Road and Fiddlers field/Snakes Lane will be controlled by 3-way temporary traffic lights from Monday 14 to Friday 18 August 2023.

These dates may be subject to change due to circumstances outside of our control, such as weather.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
