

Notice of traffic management on Gilson Road, Coleshill

August 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be doing

To continue our preparation for the construction of the HS2 railway, we will be carrying out works along Gilson Road. The works include piling, drainage, completing work at the site access and preparing for the construction of the pier. The pier will form part of the Water Orton viaduct structure over the M42, Gilson Road and A446 Lichfield Road. Within these works, we will also create a plant crossing along Gilson Road.

When the work will take place

To ensure the safety of our workforce and road users, we will be installing traffic management on Gilson Road from September 2023 to March 2024. See below a breakdown of these works:

Completing work at the site access point- traffic lights will be in place at this location, 24/7, from Monday 18 September to Saturday 23 September. Our working hours are from 8am to 6pm each day.

Haul road access for plant crossing- our working hours and traffic lights will be in place at this location from 9:30 to 3:30, Monday 18 September to Friday 29 September. Once the access is created, a plant crossing will be installed over Gilson Road.

The plant crossing will operate from the Friday 29 September and will be controlled by traffic lights, giving priority to Gilson Road vehicles. The plant crossing will operate Monday to Fridays, 7am to 7pm and Saturdays, 8am to 4pm.

Installing traffic management- a road closure will be in place at this location, overnight from 9pm to 5am, Sunday 24 September to Monday 25 September.

Construction of the pier- Once the road has re-opened there will be traffic lights in place, 24/7 and the road will be narrowed to one lane, until March 2024. Our working hours will be from 8am to 6pm each day.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
