Maintenance to planter on Park Village East north

August 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Footway closure and parking bay suspensions – 7 to 8 August

We carry out regular maintenance to the trees and shrubbery in the planter at the northern end of Park Village East. We wrote to you on 14 July to inform you, we need to trim back some of the trees and bushes overhanging the footpath and road.

On 7 and 8 August we will temporarily close the footpath between the lorry lay-by and Mornington Street bridge and temporarily suspend the parking bays on both sides of the road in front of 22 to 28 Park Village East. You may notice periods of increased noise while we use power tools, however this should only be for a short period of time.

We apologise for any inconvenience these works may cause. We are aware that it is nesting season and will be following the correct environmental processes prior to these works starting.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk
