

Notice of current and upcoming works in Saltley area - Birmingham

August 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new railway in your area.

Saltley Viaduct

We previously informed you that utility diversion works would be taking place along Saltley Viaduct and would require full overnight closures of the road along with a footpath closure.

As these works have progressed, we now need to move the current footpath closure to the opposite side of the road. We plan to make these changes on Tuesday 22 August to allow us to continue to work safely.

Gate Street

On Friday 25 August, we will be carrying out utility surveys within the road and footpath of Gate Street. To allow us to do this safely we will need to close the road for one day between the hours of 6am and 5pm. Access to businesses will be maintained under marshal control during these works.

Adderley Road

On Monday 21 August for approximately five days, we will be reinstating a utility trial hole along Adderley Road. During this time, we will require a short lane closure between Crawford Street and Saltley High Street between 9am and 3pm.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

Works are ongoing in the Saltley area. Details of affected areas are shown on this page with a helpful diversion map on the following page.

What to expect

Road closures and temporary traffic signals with clear diversion routes.

We may also be on site up to one hour before and one hour after this for site set up and shut down.

What we will do

Ensure that our work areas are safe and secure.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route. www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting: www.gov.uk/government/collections/hs2-property
