

Atlas Road closure for Thames Water weekend works

Notification

High Speed Two (HS2) is the new high speed railway for Britain.

Weekend road closure on Atlas Road

From 7pm on 4 August to 7am on 6 August 2023, Thames Water will be carrying out scheduled essential works on Atlas Road.

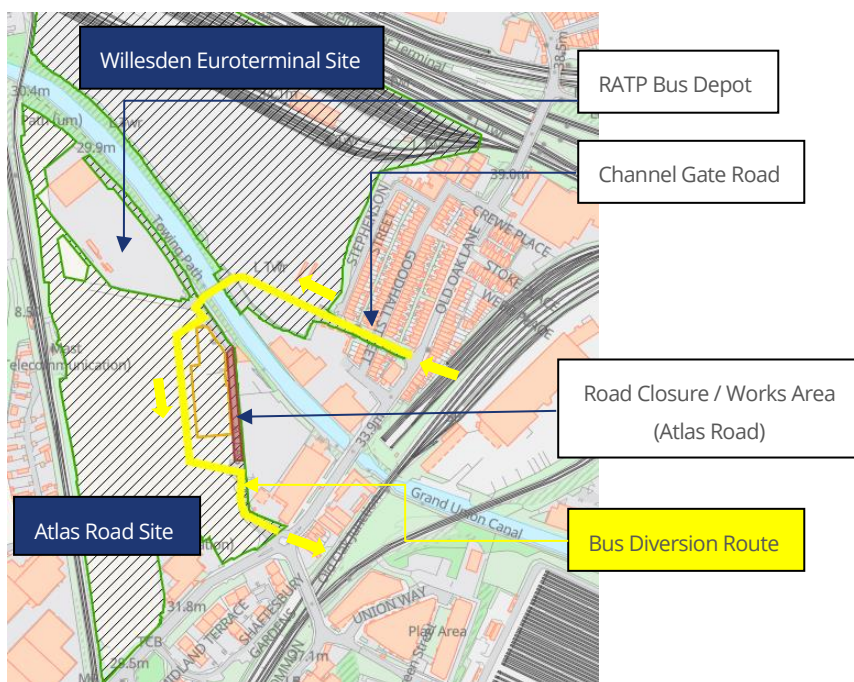

To ensure the safety of their operatives and the local community, Atlas Road will be closed with a traffic management system in place to direct the traffic, whilst the works are being carried out.

These works are not related to any HS2 works in the area.

To support the transportation needs of the local community, SCSJV have made special arrangements that will allow buses to operate to and from the Atlas Road RATP bus depot.

Buses will be permitted to take alternative routes via Channel Gate Road, our Willesden Euroterminal and Atlas Road sites and via Atlas Road. This one-way diversion will help facilitate bus movements and minimise disruptions caused by the road closure.
