

# Notice of traffic management, Blackgrove Road and A41

July 2023 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain, if you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at [www.hs2inyourarea.co.uk](http://www.hs2inyourarea.co.uk).

## What are we doing?

At the end of August we will be starting some of the utility works for the A41 realignment. To complete this we will need to have traffic management on Blackgrove Road and the A41 for three weeks.

As we are working around the carriageway, we will need to implement traffic lights for road users.

The new A41 will lead to two new roundabouts, which will have spurs leading to the new section of Blackgrove road and the original A41.

Access to properties along the A41 and Blackgrove Road will be maintained.

## When will these works take place?

- Monday 25 September to 13 October we will have traffic management on Blackgrove Road during the day from 9:30am to 3:30pm
- Monday 25 September to 13 October we will have traffic management on the A41 during the evening between 8pm and 6am.

These dates may change due to conditions outside of our control. Please refer to the HS2 website regularly to check for any changes and updates.

Our current timeline for the A41 realignment works:

**Phase one** | Closure of Blackgrove Road for 1 week: Autumn/Winter 2023

**Phase two** | Closure of A41 over a weekend: Spring/Summer 2024.

Wherever possible, we will minimise the impact on highway users by coordinating deliveries to avoid peak times.
