

Notice of traffic management, A41

October 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain, if you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

Through October, we have been preparing for the start of utility works connected to the A41 realignment, near Waddesdon.

As we are working around the carriageway, we will need to implement traffic lights for road users on the A41. This area of traffic management is at the point the new piece of road will join the existing A41.

Eventually, the newly aligned section of the A41 will lead to two new roundabouts, which will have spurs leading to Blackgrove Road and the original A41.

During the works, there will be a short period of time where there will be no access to the layby outside of Waddesdon, due to the proximity of our works. We will ensure this is re-opened as quickly as possible for all users.

Access to properties along the A41 will be maintained.

When will these works take place?

- Monday 16 October to Friday 20 October we will have traffic management on the A41 during the day from 9:30am to 3:30pm

These dates may change due to conditions outside of our control. Please refer to the HS2 website regularly to check for any changes and updates.

Our current timeline for the A41 realignment works:

Phase one | Closure of Blackgrove Road for 1 week: Autumn/Winter 2023

Phase two | Closure of A41 over a weekend: Spring/Summer 2024.

Wherever possible, we will minimise the impact on highway users by coordinating deliveries to avoid peak times.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
