

Notice of overnight road closure, A421, Fimmere

August 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions about these works, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inbucksandbox.co.uk.

What are we doing?

In September, our teams will be carrying out the annual bridge maintenance inspection of the A421 temporary bridge near Fimmere. This bridge is only used for construction traffic moving material between our sites.

As we will be working directly in the carriageway and for reasons of safety, this section of the A421 will be closed while this inspection takes place. To reduce our impact as much as possible, the inspection is scheduled to take place overnight.

When will these works take place?

The A421 will be closed overnight from 8pm to 6am on Monday 18 September 2023.

As a contingency, should there be delays to our works, the overnight closure of the A421 will be rescheduled and we will update communities accordingly.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
