

Completion of pipeline diversion work off Tolldish Lane, Great Haywood

August 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

To allow for the construction of the new railway and to continue to ensure a safe and reliable gas supply, Cadent is moving an underground gas pipeline on land either side of Tolldish Lane, Great Haywood.

Main work to move the pipeline began in March 2023 and all work is now complete.

What are we doing?

Cadent has now finished moving the pipe and has successfully carried out routine testing on the relocated pipeline.

Cadent has also finished reinstating its working area to replace topsoil and vegetation that had to be removed to carry out the diversion. Cadent has also filled potholes at its crossing point on Tolldish Lane.

All Cadent work at this site is now complete.

We would like to thank local residents for their continued patience throughout the duration of Cadent's work.

How will this affect you?

Cadent's former works compound and site access off Tolldish Lane will remain as they may be used by other HS2 works in the future.

If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434 or email HS2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between Birmingham and the West Midlands, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
