Update on Interim Taxi rank works on Eversholt Street and Upper Woburn Place

Previous notification regarding Interim Taxi Rank works, here (June 2023) (Reference number: HS2-MW-MD-Ph1-Eu-St-S3-Prog-Works14-02/06/2023)

What are we doing?

From 18th September London Borough Camden will install CCTV cameras on Eversholt Street on behalf of Mace Dragados. To facilitate the works, **one parking bay** will be suspended on Wesley Place. The works are expected to take place for **approximately 3 weeks at night**.

From early October until late November, Mace Dragados we will install Variable-Message Signs (VMS) on Eversholt Street and Upper Woburn Place. The VMS will alert taxis if the new facility is full. The construction of these activities will consist of breaking out sections of the pavements to install the CCTV cameras, install ducting for the VMS and reinstate the pavements. There will be barriers around the worksites and local traffic management. Pedestrian crossings and roads will remain in use throughout these works.

We recognise that construction work can be disruptive to those living and working nearby. The nature of our work often means some disturbance is unavoidable but assured that every effort is made to minimise any unnecessary noise.
