

Notice of works to Kelsey Lane and Waste Lane – Balsall Common

September 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be doing.

As you may be aware, following consultation with residents, BBV and HS2 have been working closely with Solihull Metropolitan Borough Council (SMBC) on a series of traffic calming measures on Kelsey Lane and Waste Lane. This includes three radar speed signs, three chicanes and the introduction of a 20mph speed limit.

In order to do this work safely we will need to introduce traffic management on Kelsey Lane, Waste Lane and the top of Windmill Lane in two phases over a two-week period beginning on 25 September. To minimise disruption, we will limit our working hours to 9:30am until 3:30pm and we will also reduce the extent of the closures as our work completes.

Phase One - 25-29 September

Part of Waste Lane from Little Beanit Farm to Hodgett's Lane will be closed. Access for resident will be maintained and traffic will be diverted via Burton Green **See map over leaf.**

Kelsey Lane and the remainder of Waste Lane will be reduced to one lane and controlled by temporary traffic lights.

Phase Two – 2-6 October

Kelsey Lane and Waste Lane will be fully closed. Access for resident will be maintained and traffic will be diverted via Burton Green See map over leaf.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
