

Update to notice of footpath closure Waddesdon Greenway

October 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

In October, our continuing works on the HS2 line will focus on the area around the Waddesdon Greenway crossing, which intersects with the route of new railway.

To ensure our construction teams can operate in a safe working zone, we will need to close this crossing and the connection sections of footpath/cycleway/bridleways for a short period.

This is so a temporary footpath/cycle path/bridleway crossing can be built which will ensure the public can continue to pass safely across the route of the railway, unimpeded by our works site.

There will be a 5 day period when the path will be closed and the temporary path is being built. During this time there will be no access across the HS2 worksite via Waddesdon Greenway.

When will these works take place?

- Monday 23 to Friday 27 October – Footpath closure.
- These dates are updated from our previous notification.

These dates may change due to conditions outside of our control. Please refer to the HS2 website regularly to check for any changes and updates.

Wherever possible, we will minimise the impact on highway users by coordinating deliveries to avoid peak times.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
