

Notice of M42, M6 link road eastbound overnight closure, near Water Orton

August 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high speed railway in your area.

The work we will be doing

To continue our construction in the area, we will be receiving deliveries of plant and machinery along the M42, M6 link road eastbound carriageway.

When we will do the work

To ensure the safety of the road users and our workforce as we receive these deliveries, we need to install overnight closures of the eastbound carriageway on the M42, M6 link road. These closures will be in place from 9pm to 5am on Tuesday 19 September. Our workforce may be on-site up to one hour before and after to set up and secure our equipment. This work is subject to consent.

Where we will be working

Road users will follow the M6 southbound until junction 4, then via the A446 and A452 southbound. Following this, road users will be able to follow the A45 westbound to the M42.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
