Early morning delivery to site

On **Wednesday 27 September** we are expecting a delivery of machinery to the Adelaide Road Ventilation Shaft and Headhouse site.

The delivery is scheduled to arrive before 8am, outside our core working hours. This is to ensure safe delivery of abnormal loads during reduced traffic flow on designated routes.

How will this affect you?

You may hear reversing signals and engine noise during the delivery.

We will be monitoring the noise levels to ensure minimal disruption to residents.

We apologise for any inconvenience this delivery may cause.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk
