Area reference: Euston Station

Dear neighbour,

Euston Station Work

We'll be working near you in installing hoarding and drilling of boreholes to sample the soil and ground. Work is scheduled to take place during the day and there will be deliveries and movement of materials/equipment overnight. There will be some noise generated but acoustic barriers will be in place to reduce the impact as much as possible.

We do not expect our work to cause any significant disruption but wanted to keep you updated. If you have any questions or concerns, please email **NRHS2@networkrail.co.uk** or call our 24-hr national helpline on **03457 11 41 41**. Please note that this email is only monitored during normal office hours, and so any complaints or queries outside of these hours should be directed to the national helpline.

If any of our plans change, we'll advise you via the HS2 in Camden website. Please sign up to receive news alerts at: www.HS2inCamden.co.uk
If you have any enquiries about HS2 or HS2 works please contact the HS2 Helpdesk on **08081 434 434** or email **hs2enquiries@hs2.org.uk**

Kind regards,

Myall Hornsby
