

Update notice of works in Saltley area - Birmingham

September 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new railway in your area.

Saltley Viaduct

We will be continuing to carry out works along a section of the footpath on Saltley Viaduct. We previously notified you about these works however we will also now need to add a turning restriction from and onto Pennine Way.

The set of two-way temporary traffic signals will remain in place along Saltley Viaduct between 9.30am and 3.30pm Monday-Friday. These will be in place until Friday 27 October.

The signals are in place to maintain a safe crossing point for pedestrians in the area. During this time, a section of footpath shown on the map below will be closed to maintain a safe space between the public and the works area. The footpath closure will be in place until the works are complete and then will re-open to the public.

Access to the bus stops will be maintained during these works.

Pennine Way

There will be no right turn from Pennine Way onto Saltley Viaduct from Monday 9 October until Friday 27 October. The restrictions will be operational between 9.30am and 3.30pm Monday-Friday. This is to maintain a safe space between the public and the works area as we progress with the work.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

Works are ongoing in the Saltley area. Details of affected areas are shown on this page with a helpful diversion map on the following page.

What to expect

Footpath closures and temporary traffic signals with clear diversion routes.

We may also be on site up to one hour before and one hour after this for site set up and shut down.

What we will do

Ensure that our work areas are safe and secure.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
