

Notice of piling works within the Greenpark Way site

October 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

From **23 October till 10 November 2023**, we will be carrying out piling works within the Greenpark Way Ventilation Shaft and Headhouse site. The piling will be used to create a secure foundation for the headhouse which will be built above the ventilation shaft.

How will this affect you?

During the week commencing 16 October the piling rig and crane will be delivered to the site, before 8am. Please refer to the diagram on page 2 for more details of this method.

These deliveries will take place before 7am, and after 7pm. This is to minimise congestion on the road network.

We do not expect the piling works to cause any major disruption but additional noise from the piling rig may be heard over the regular background noise.

The following mitigation measures will be in place to reduce any disruption during the works:

- Dust suppression will be used throughout dry periods to prevent any negative impact to the local air quality
- Noise and vibration levels will continue to be monitored
- Piling works will be completed during core hours

This equipment will be removed from site at the end of the works.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Notification

Duration of works

From 23 October to 10 November 2023

(These dates are subject to change)

Working Hours:

Monday to Friday – 8am to 6pm

We may be on site for an hour before the start and at the end of each shift.

What to expect

You may notice additional noise from the piling rig during works and from vehicle movements to and from site

Oversize deliveries to site before 7am and after 7pm

What we will do

Monitor noise, dust and vibration levels

Use best practical working methods

Provide updates at HS2.org.uk/in-your-area/

Notification

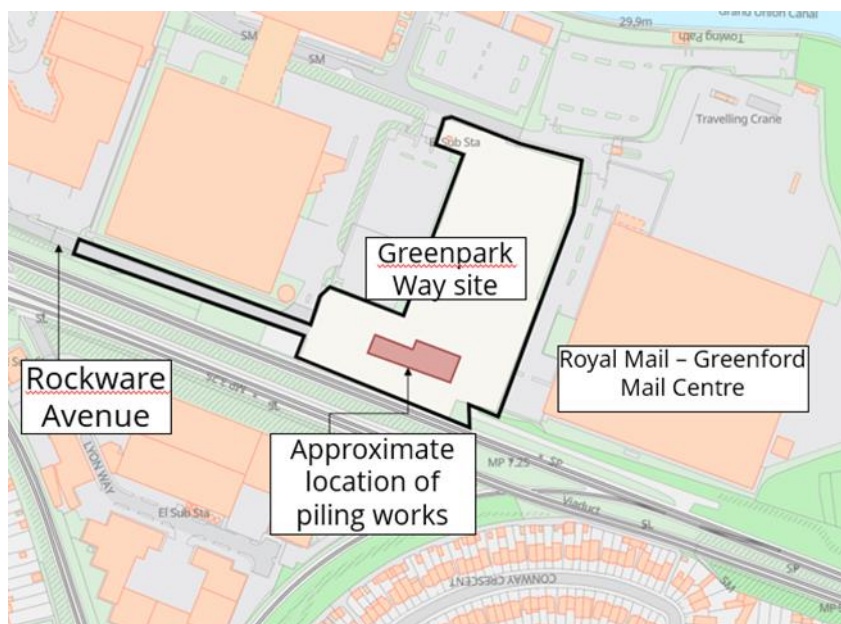

Piling method

We will be using a Continuous Flight Auger (CFA) rig. The rig will be used to drill bore holes and pour concrete inside them. Steele rebar cages will be installed inside the bore holes to complete each pile (as shown below).

Our team is here to listen and respond to your enquiry, complaint or feedback to help us be a good neighbour.

You can contact our Helpdesk team all day, every day of the year on:

Freephone: **08081 434 434**

Minicom: **08081 456 472**

Email: hs2enquiries@hs2.org.uk

Keep up-to-date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you can claim compensation at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit:
