

SCSJV East Box site mobilisation

November 2023 | www.hs2.org.uk

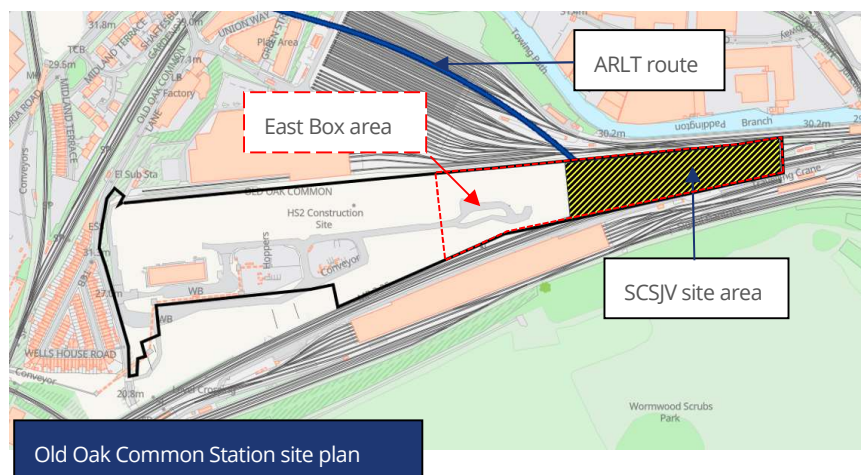

High Speed Two (HS2) is the new high speed railway for Britain.

SCSJV Old Oak Common East Box mobilisation

Earlier this year, we let you know about the Atlas Road Logistics Tunnel (ARLT), which we will build to connect the Atlas Road site to the BBVS Old Oak Common Station site. The ARLT will allow us to move materials underground, reducing the number of vehicles on local roads.

As part of the next phase of the Euston tunnelling works, from 14 November 2023, SCSJV will establish a site in the eastern end of the Old Oak Common Station site (see map below).

More information about tunnelling in your area can be found at:
<https://www.hs2.org.uk/building-hs2/tunnels/tunnel-drives/euston-tunnel/>
<https://www.hs2.org.uk/building-hs2/tunnels/tunnel-drives/northolt-tunnel/>

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Notification

Duration of works

For two months from 14 November 2023

Hours of works

8am to 6pm, Monday to Friday and 8am to 1pm Saturdays

What to expect

Operational noise from on site vehicles and construction machinery

Additional lighting during low light levels

What we will do

Continue to monitor our working methods to ensure disruption is kept to a minimum

Advise our staff to be mindful of the local community

Provide updates at www.hs2.org.uk/in-your-area/map/

SCSJV East Box site mobilisation

Notification

www.hs2.org.uk

What to Expect

Mobilisation of the site will last approximately two months, with operatives working during our core hours. Works will include the construction of a waterproofed concrete slab; the ARLT Tunnel Boring Machine (TBM) extraction slab; temporary mechanical, electrical and plumbing (MEP) installation; and hoarding erection within the east box area.

We do not anticipate any noticeable difference to levels of environmental disruption such as dust and noise from works currently taking place within the Old Oak common site. We will continue to work collaboratively with BBVS to monitor our works throughout and ensure any disruption is kept to a minimum.

Future works

In early 2024, we will extract the ARLT TBM at Old Oak Common East Box.

Separately, we will be building two sprayed concrete lining (SCL) tunnels, starting at Old Oak Common East Box and travelling up to 150m towards Euston (still finishing within the East Box).

From here, SCSJVs tunnelling team will install two TBMs at the Old Oak Common East Box which will tunnel towards the HS2 Euston site in the future.

Further details about these phases of works will be communicated in the future.

Speak to our local engagement team

We understand that construction can be frustrating for residents near our sites. Your local engagement team are happy to speak with you in person or virtually about any questions or concerns you have about our works in your local area.

Please contact the HS2 Helpdesk on 08081 434 434 or via email at HS2enquiries@hs2.org.uk, if you would like to arrange session to speak with us.

What else is happening in your area?

Contact our HS2 Helpdesk team

Our team is here to listen and respond to your enquiry, complaint or feedback to help us be a good neighbour.

You can contact our Helpdesk team all day, every day of the year on:

Freephone: **08081 434 434**

Minicom: **08081 456 472**

Email: hs2enquiries@hs2.org.uk

Keep up-to-date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you can claim compensation at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit: www.hs2.org.uk/in-your-area/contact-us/how-to-complain/
